

## **2024 HEADSET INSTRUCTIONS:**

**Time Keeper** can take the 4 headsets (Home and Away Offence and Defence with dual headphones) up to the press box. Feel free to take extra batteries up in case you need them but please ensure they come back down.

**Game Day Supervisors** can take the 3 Home & Visitor Headsets (offence, defence and head coach) to the sideline.

Game Day person please communicate with the Time Keeper when you are turning them on. There is a sideline one for each side marked "MASTER" this one needs to be turned on first followed by the other two on the sideline and the two in the pressbox.

This process can be repeated for the other set.
